

Join us on the dance floor with a gift to the Department of Dance at the University of Georgia.

YOUR GIFT MAKES A DIFFERENCE!

Last year's gifts from you, our donors, enabled students to attend classes and perform at the American College Dance Festival Conference, the Tennessee and Alabama Dance Festivals, and perform at the GAHPERD Conference/ Kaleidoscope Concert, as well as other regional and national performance events. Gifts also provided professional master classes for students by renowned artists, and scholarships for our dance majors.

We invite you to join us on the dance floor this year with a gift in support of our outstanding young dancers. We hope to see you at our performances in the coming months!

Since 1991 when Friends of Dance was founded by Bala Sarasvati, Jane Willson Professor in the Arts, and Dr. Mark Wheeler, gifts from our generous donors have made a significant impact on the students, faculty and programs in the Department of Dance.

Dear Dance Patron,

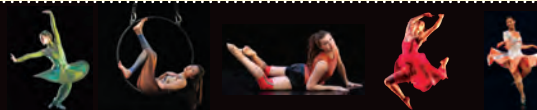

On behalf of the Department of Dance, thank you for your involvement, whether it is as an audience member, parent, alumnus, or other dance supporter! As we prepare for another season of exciting performances, we would like to include you. We invite you to consider increasing your involvement through contributions to The Friends of Dance.

The Friends of Dance fund plays a significant role in enhancing the quality of Department of Dance programs through scholarships, a departmental endowment, distinguished guest artist residencies, productions, costumes, and touring in the schools, region, nation and the world. Talented students train diligently in our program, preparing to be future leaders in dance.

Each gift to the Department of Dance is important to us and makes a difference. Please join The Friends of Dance, as your support counts in so many ways. We look forward to seeing you at some of our annual performances.
