UNIVERSITY OF GEORGIA

The Department of Dance at the University of Georgia is a creative, diverse, and scholarly group of full-time and part-time faculty serving dance majors and dance minors. Our faculty are dedicated to the promotion of artful exploration through movement as related to Ballet, Contemporary/Modern, Jazz, Tap, Ballroom, West African, Hip-Hop, and Aerial dance forms. At the center of our creative discipline lies self-awareness, spatial awareness, dedication, perseverance, creativity, confidence, humility, gratitude, and participation in movement through space and time.

The department also offers dance theory lecture courses, as well as elective dance courses open to the general student population.
